

April, 2016

Hello Healthy Campus Alberta!

We are looking forward to seeing many of you at our Wellness Summit/Learning Event on June 14<sup>th</sup> (for more details and to register for the June 14 event, click here: <http://www.ucalgary.ca/wellnesscentre/healthycampusalberta>). As part of this great day, we would like to showcase the many wonderful mental health initiatives that are currently making a difference on post-secondary campuses across the province. So if you know of or are involved in such an initiative...we want to hear from you!

Our goal is to put together a directory of Alberta post-secondary mental health initiatives that will be handed out to all of those attending the event and later posted on our website: [www.healthycampusalberta.ca](http://www.healthycampusalberta.ca).

To be a part of this, please send Danielle Stewart-Smith ([Danielle.Stewart@ucalgary.ca](mailto:Danielle.Stewart@ucalgary.ca)) the following information by **May 30, 2016**:

1. Name of mental health initiative/program
2. Brief description of the mental health initiative and its focus (Abstract Length: up to 500 words)
3. Main contact information and website link (if applicable) for those interested in finding out more

Thanks for helping us make Healthy Campus Alberta something great! We look forward to hearing from you!

**Danielle Stewart-Smith**
