

HCA Design Team Statements of Understanding

*Vision: To **educate, collaborate and advocate** to transform culture and create caring campus communities throughout the province of Alberta.*

*Mission: The Healthy Campus Alberta Community strives to create an **inclusive, collaborative, and integrated** approach to mental health and wellness.*

The **purpose** of the Healthy Campus Alberta Design Team is to

- **maintain the relevance of Healthy Campus Alberta** in a dynamic and changing post-secondary environment and,
- to **reflect** the values and culture of caring campus communities.
- to ensure appropriate spaces are maintained in which all HCA members from all stakeholder groups have a voice and are equitably represented

The **role** of the Healthy Campus Design Team is to

- provide **guidance** to HCA staff on implementing the mission and vision defined by the community of practice,
- **regularly communicate** our knowledge, wisdom, and skills in a connective and innovative manner
- continually **reflect** on whose voice needs to be at the table

The Healthy Campus Design Team is **responsible** for

- **synthesizing** incoming/outgoing knowledge related to post-secondary mental health from/to each other's larger network,
- **sharing/receiving** information from other members of the design team and
- maintaining **engagement** in a participatory manner in design team meetings.
