

# Healthy Campus Alberta 2019 Reception Report

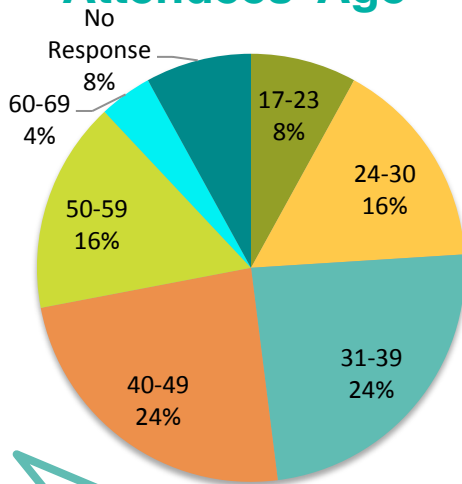

On June 17, 2019 Healthy Campus Alberta held its first ever reception. The evening was an opportunity for Alberta's post-secondary mental health and wellness community of practice to gather and celebrate. Held at the Bow Valley College, there were **49** attendees with representation from **6** community organizations, **13** campuses and **5** provinces!

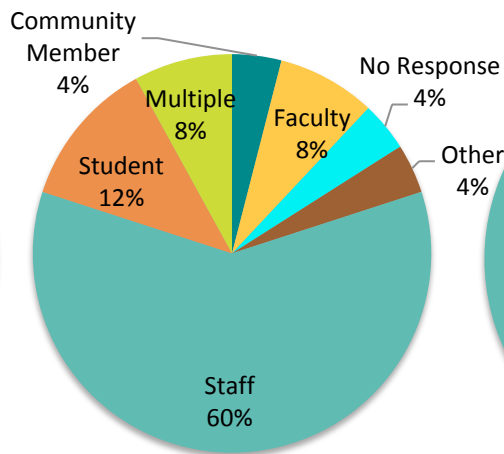

## Attendees' Feedback

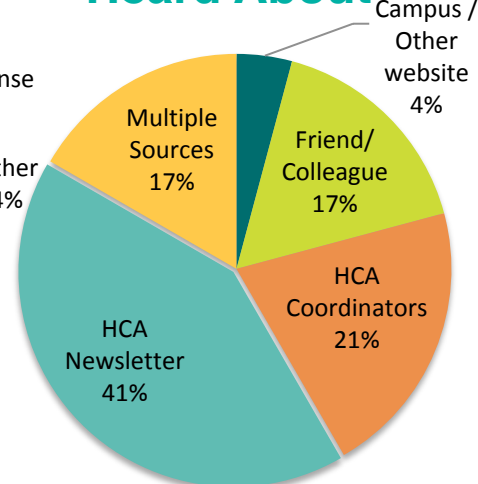

## Attendees' Age

## Attendees' Position

## Heard About

*"My most significant takeaway was the importance of consulting with students."*

*"My most significant takeaway was the value of community & cross provincial dialogue in developing campus mental health."*

*"Great range of presentations."*

## What's Next?

HCA Community of Practice Meeting - November 5, 2019

A gauge of resonance, a community of practice meeting provides an opportunity to learn about the direction of the community of practice and influence / impact future priorities.
