

Healthy Campus Alberta 2018 Connections Summit

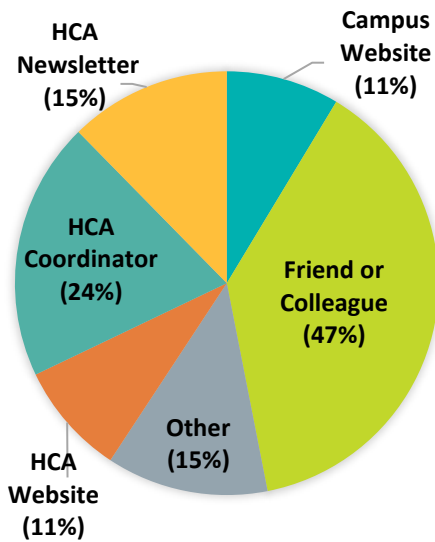

Organized by an advisory committee of stakeholders from across the province, the HCA Connections Summit gathered Alberta's post-secondary mental health and wellness community of practice. The event was themed "Connections", celebrating campus approaches, the student voice, as well as exploring dimensions of wellness and providing opportunities for collaboration. Held on November 8, 2018 at the University of Alberta, the summit had 128 attendees with representation from 24 campuses and 11 community organizations.
